Memory Tree Dedicate a leaf

**A special and
meaningful way
to remember
someone**

making every moment count

Dedicate a leaf

Dedicating a leaf to someone special is a wonderful way to remember them by. Each leaf is engraved with the name of the person you would like to pay tribute to. It is a positive way to honour a loved one, giving you something distinctive in a place that makes every effort to bring much comfort to those we care for. Your dedication will, in turn, provide others with care and support, helping to make every moment count.

The Tree is situated in a warm and welcoming place for you to visit, any time.

Your leaf will appear on the Tree for a minimum of twelve months, starting from the date your leaf is displayed. We will write to you to confirm when your leaf is in place on the Tree.

Each leaf will be engraved with one name only. There is a limit of 250 leaves on a tree at any one time. If the Tree is full at the time of us receiving the form, we will let you know and inform you as soon as space becomes available. Before the end of the twelve month period, we will invite you to renew your leaf for a further twelve months. Your leaf will be sent to you when your support ends.
